### Instructions for Special Interest Study Group Sessions

**Important: You, as chair of this presentation, are the only person to have received this information. Please copy and distribute it to all of your co-presenters.**

Special Interest Study Group sessions are designed to allow participants the opportunity to discuss a specialized topic with experts in the field. Only 25 registrants who purchase tickets may attend.

#### **1. *Scheduling:***

Your Special Interest Study Group is scheduled on Friday, October 26, 2007 from 4:30 pm to 6:00 pm. The *Registration Magazine* for the Annual Meeting will be mailed to all presenters in August 2007 and will be on our web site at [www.aacap.org/cs/AnnualMeeting/2007](http://www.aacap.org/cs/AnnualMeeting/2007). If for any reason you find that you will not be able to present at the Annual Meeting, please contact the meetings department immediately at: **AACAP, Attn: Meetings Department, 3615 Wisconsin Avenue, NW, Washington, DC 20016. Tel: 202.966.7300, Fax: 202.966.2891, email: [meetings@aacap.org](mailto:meetings@aacap.org)**. Also contact the Special Interest Study Group Coordinator, Stephen Grcevich, M.D., 17371 Old Tanney Trail, Chagrin Falls, OH 44023, Tel: 440.543.3400, Fax: 440.543.2287, Email: [drgcevich@aol.com](mailto:drgcevich@aol.com).

#### **2. *Publications:***

Information about your Special Interest Study Group will be published in two places: the *Registration Magazine* and the *Program Book*. The latter publication will not be available until the beginning of the meeting. Please inspect and report errors in names, titles, and other information published in the *Registration Magazine* to the AACAP Meetings Department at the contact information above. Errors that are not reported may be repeated in the *Program Book*.

#### **3. *Audio-Visuals:***

Most Special Interest Study Groups rely heavily on discussion and do not use audio-visual equipment. If, however, you need equipment, you must send a written request to the AACAP Meetings Department. The AACAP will pay for your audio-visual equipment, but we urge you to coordinate your efforts among your co-presenters and order only what is necessary. Audio-visual equipment rental at the hotel is tremendously expensive and a large portion of registration fees is devoted to the expense. We will need you to bring your own laptop computer if you wish to show your slides on an LCD projector. Be especially careful to bring all necessary cables/converters and a backup thumb drive/CD of your presentation in case your computer

crashes. We recommend that the chair collect all presentation slides onto one laptop computer. There will be a speaker ready room at the conference hotel where you can run through your presentation materials. We have included an **Audio-Visual Equipment Request Form** to give you and your co-presenters time to determine your needs. *Please return by August 24, 2007.*

**4. Handouts:**

Handouts are not required for Special Interest Study Group sessions and are not funded by AACAP.

**5. About Slides:**

We do not expect extensive audio-visuals for Special Interest Study Groups because of the time constraint. If you use slides, however, please heed this warning: every meeting, every year, attendee evaluations repeat the same complaints about slides. Some have fonts so small the people in the back of the room can't read them. Some use hard-to-read dark backgrounds. Some have recycled old slides that seem to have no relevance to the presentation. Some put long detailed pages on the slides without including handouts, forcing attendees to take furious notes. Please, be empathic of your attendees. Take a look at your slides and ask yourself whether you would be able to read them from 20 feet away. Better yet, let a friend or colleague look over your materials - fresh eyes are very helpful. Minimum font point size is 32. When presenting about a drug, please use the generic name. An instructional sample slide set can be viewed at [www.aacap.org/cs/AnnualMeeting/2007/Presenters](http://www.aacap.org/cs/AnnualMeeting/2007/Presenters).

**6. Registration:**

Presenters must pay registration fees for the AACAP Annual Meeting, either by mail, fax, or the web site starting in August 2007 when the *Registration Magazine* is published. The only exception is presenters who are not child and adolescent psychiatrists - these presenters still need to register, but will be charged only \$90 if registered by September 15 and \$105 if registered after September 15.

**7. Honoraria:**

AACAP does not provide honoraria, travel reimbursement, or hotel reimbursement for speaking in this event.

**8. On-Site:**

Please arrive at least 15 minutes before your session begins. A volunteer monitor, often a resident or student, will be present to help you with lights, audio-visual equipment, handouts, and reporting problems to us. In addition, they will check tickets, take attendance, report to AACAP if appropriate disclosure guidelines were followed, and distribute and collect evaluations.

**9. Speaking:**

Much of the content of Special Interest Study Groups is informal discussion. For the formal part of your session, please rehearse your presentation before you present it. You should be especially careful to practice speaking loudly, clearly, and slowly. It is useful to have a friend or colleague observe you speaking before you step in front of the audience. Some past presenters have practiced in advance using camcorders or cassette recorders to clarify their speaking strengths and weaknesses. Presenters may register for a free Presentation Skills Workshop on Wednesday,

October 24; look for the Workshop in your *Registration Magazine* in August. Workshop attendees are encouraged to bring their laptops and slides. Registration will be first-come, first-served and will be limited to 50 attendees.

#### **10. *Satellite Symposia:***

AACAP does not allow satellite symposia during our Annual Meeting. Please do not agree to participate in educational events that are not listed in the *Registration Magazine* and are not approved by AACAP. Please contact AACAP if you are approached to participate in such an event. For more information about AACAP's Operating Principles for Extramural Support of the Annual Meeting, refer to [www.aacap.org/galleries/AnnualMeeting2006/Sponsorship\\_extarmuralSupport.pdf](http://www.aacap.org/galleries/AnnualMeeting2006/Sponsorship_extarmuralSupport.pdf).
