

WHAT OUR PAST AWARDEES ARE SAYING

AACAP Pilot Research Awards

“The AACAP Pilot award has opened many doors for me and opened me up to myriad of opportunities and avenues for thinking about research and support.”

Obianuju O. Berry, MD, MPH
2018 Pilot Research Award for Junior Faculty and Child and Adolescent Psychiatry Fellows, supported by AACAP

“I feel I now have a deeper understanding of the challenges and the rewards of developing a research project, being the principal investigator of a project and the importance and opportunities provided by mentorship and supportive environments.”

Gaby J. Ritfeld, MD, PhD
2020 Pilot Research Award for Junior Faculty and Child and Adolescent Psychiatry Fellows, supported by AACAP

“This award has provided me with a platform to advocate for the mental health needs of migrant children, allowing me to draw from the rich tapestry of culture, community, and safety to cultivate a culture of promotion and prevention within psychiatry.”

German Velez, MD
2021 Pilot Research Award for General Psychiatry Residents, supported by Industry Sponsors
