STARTING AND SUSTAINING A RESEARCH ACADEMIC CAREER IN CHILD AND ADOLESCENT PSYCHIATRY: A MENTORING MINGLE

 **Wednesday, October 25, 2023**  **4:00 PM - 6:00 PM**

 **New York Hilton Midtown, Sutton Center**

MEET THE MENTORS

Kara Bagot, MD

University of California, Los Angeles

Interests: substance use, mHealth/digital technologies, DEI

Alexandra Bey, MD

Duke University Health System

Interests: autism, translational research, biomarkers, EEG, mouse models

Cindy Chou, MD

University of Pittsburgh

Interests: schizophrenia, endocannabinoid system, postmortem prefrontal cortex

Kathryn Cullen, MD

University of Minnesota

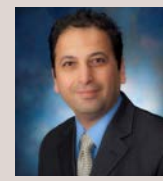

Interests: depression, adolescence, brain development, self-injury, suicide risk, creativity

Daniel P. Dickstein, MD

Harvard University, McLean Hospital

Interests: brain/behavior mechanisms, child/adolescent, irritability, suicide

Rasim Diler, MD

University of Pittsburgh

Interests: bipolar disorders, depression, differential diagnosis, high risk studies, neuroimaging, digital health

Kate D. Fitzgerald, MD

Columbia University

Interests: pediatric obsessive compulsive disorders, anxiety, CBT

Kevin M. Gray, MD

Medical University of South Carolina

Interests: substance use disorders; clinical trials

Benjamin Goldstein, MD

Centre for Addiction and Mental Health

Interests: bipolar disorder, cardiovascular, imaging, biomarkers, exercise, DBT

Danella Hafeman, MD, PhD

University of Pittsburgh Medical Center

Interests: bipolar disorder, fMRI; risk prediction; mindfulness interventions

Ellen Hoffman, MD, PhD

Yale Child Study Center

Interests: autism, genetics, neurodevelopmental disorders, animal models, zebrafish, drug discovery

Leslie Hulvershorn, MD, MSc

Indiana University School of Medicine

Interests: addiction risk, neuroimaging, risky decision making

Heather Joseph, DO

University of Pittsburgh

Interests: ADHD, parenting, early childhood (infant, toddler, preschool)

Rebecca Muhle, MD, PhD

Columbia University

Interests: autism, neurodevelopment, model systems, and genetics/genomics

Emily Olfson, MD

Yale Child Study Center

Interests: genetics/genomics, obsessive-compulsive and related disorders, anxiety disorders, ADHD

Kevin M. Simon, MD

Boston Children's Hospital

Interests: mental health, substance use, systems of care, and healthcare equity

Manpreet K. Singh, MD, MS

Stanford University

Interests: mood disorders, transcranial magnetic stimulation, pharmacotherapies and psychotherapies, mindfulness meditation

Jerome Taylor, MD

Children's Hospital of Philadelphia

Interests: psychosis, schizophrenia, clinical research, immune activation, oxidative stress, circadian rhythm

Hanna Stevens, MD, PhD

University of Iowa

Interests: mouse models, prenatal brain development, placenta-brain interaction, behavioral neuroscience, environmental exposures

Jeremy Veenstra-VanderWeele, MD

New York State Psychiatric Institute, Columbia University

Interests: autism, molecular and developmental neuroscience, clinical trials
