CONSIDERATIONS IN ADHD TREATMENT AMONG YOUTH

Virtual Session on Zoom
APRIL 1ST 5:30PM PST

OVERVIEW
If you are interested in exploring understanding the overview, barriers, and approach to treating ADHD among youth and adolescents, join Dr. Cotton in this group discussion to advance your clinical toolkit.

AT A GLANCE
At this virtual session you will learn about the relevance of ADHD for youth, including home, school, and family situations as Dr. Cotton reviews real cases and dives into the ethical considerations in ADHD assessment, diagnosis, and treatment. There will be opportunities to ask questions and discuss with Dr. Cotton and your peers.

NICOLE COTTON, MD
Adult, Child & Adolescent Psychiatrist
Assistant Professor in Psychiatry

Dr. Cotton is a board certified Adult, Child, and Adolescent psychiatrist and Clerkship director at Grady Hospital. She is also an assistant professor of Psychiatry and Behavioral Sciences at Morehouse School of Medicine where she pursues her interests in the treatment of pediatric ADHD and Integrated Care.
