T O P I C

**From Theory to Practice: Incorporating Equity, Diversity, and Inclusion Principles in Child and Adolescent Psychiatry Training**

S P E A K E R S

**Dr. Nikhita Singhal**

Dr. Nikhita Singhal is a PGY4 psychiatry resident at the University of Toronto who completed her undergraduate degree and medical training at McMaster University. As a member of the Department of Psychiatry's newly developed Clinician Scholar Program, she is collaborating on a project focused on enhancing child and adolescent psychiatry training in equity, diversity, and inclusion principles through the development of a series of virtual educational modules under the supervision of Dr. Chetana Kulkarni and Dr. Raj Rasasingham.

**Dr. Chetana Kulkarni**

Dr. Chetana Kulkarni is a Child & Adolescent Psychiatrist, based at the Hospital for Sick Children (SickKids). She is also the Director, Undergraduate Learner Affairs for the University of Toronto Temerty Faculty of Medicine and a Board Member for Canadian Women in Medicine (CWIM). She is involved in teaching, supervising and mentoring medical students, residents, fellows and interdisciplinary learners.
