AACAP DIVERSITY AND CULTURE COMMITTEE

What We Do?
AACAP’s Diversity and Culture Committee and Caucus groups provide a forum for AACAP members within their own racial/ethnic groups to network and collaborate on diversity, equity, and inclusion (DEI)-focused initiatives. Activities include providing affinity-based mentorship, convening in safe spaces to discuss identity-focused challenges specific to their workplaces and communities, and work on programming, advocacy activities, and publications to highlight topics of shared interest within the cohorts. There are currently four caucuses: Asian Caucus; Black Caucus; Hispanic/Latinx Caucus; International Medical Graduate Caucus. These groups meet at varying times throughout the year. If you wish to receive notifications of upcoming Caucus events, share your information via the Diversity and Culture Committee Special Interest Group Sign-up form below.
